It can be very sluggish and has complications with basic functions like scrolling and copying text message.. Windows, Mac pc, Linux Quick, Free Viewer App for the Longman Dictionary of Contemporary British The (LDOCE 5) is most likely the greatest dictionary for English learners.

That's why I produced the LDOCE5 Viewer - a quick, user-friendly alternative that will make you want to look up words and phrases! It runs on Windows XP/Windows Vista/7/8, Mac OS Back button 10.9+ and Linux Note: Before you can use the app, you have to set up the unique LDOCE 5 software from the DVD-ROM (You must choose the 'Total Install' choice).. Unfortunately, the software program version of the LDOCE is usually rather unpleasant to make use of.. If you wear't possess the DVD-ROM, the cheapest way to get it can be purchasing the at The Book Depository for about \$24 with free worldwide delivery.

The screenshot shows the Longman Active Study Dictionary software interface. The title bar reads "Longman Active Study Dictionary". The main header features the Longman logo and "Active Study Dictionary". Navigation tabs include "Vocabulary Trainer", "Pronunciation Trainer", "Pop-up Dictionary", "Dictionary", "Thesaurus", "Study Centre", and "Exam Preparation". Below these are tabs for "Grammar", "Listening", "Reading", "Vocabulary", and "Writing". The "Writing" tab is active, displaying a "WRITING" sidebar with a list of exercises: "Improving sentences 1-3", "Identifying errors 1-3", and "Reorder the sentences 1-3". The main content area is titled "Identifying errors 1" and contains the instruction: "Each of the sentences below contains one error. Click on the correct version of the sentence." There are five numbered questions with multiple-choice options. Questions 1, 2, and 3 have green checkmarks indicating correct answers. Questions 4 and 5 have red X marks indicating incorrect answers. At the bottom of the exercise area are buttons for "Check Answers", "Show Answers", and "Restart", along with a progress indicator "3/6".
